Thank You

Since 1714, this Inn has been taking care of people. This fall, people took care of us.

From the moment the fire started, help came from everywhere. The firefighters and first responders who protected this old building. Friends who showed up and got to work. Our staff, who did the hard, dirty work of getting us back open. And you, for being here.

Until our kitchen is whole again, we're cooking a smaller menu with the same care as always. Thank you for sticking with us while we find our way back.

The Friedrich Family
